The project will be completed within the financial year 2024-25	NA	Building construction got impacted due to second wave of COVID and also due to non-availability of building material and got completed only in March 2023 as against the original plan to complete in FY 2023. Hence some of the equipment's that have planned is delayed. Also, some of the equipment vendors have extended the delivery dates which we are not agreeing and looking to change the vendors. This have resulted in delay.	We are actively considering to complete the project implementation before end of FY 2024-25 .

- In case of continuing object(s) please specify latest/revised estimate of completion date.
