UPI transactions fall slightly in June, remain above 9-bn mark

AJAY RAMANATHAN
Mumbai, July 1

TRANSACTIONS ON UNIFIED payments interface (UPI) fell slightly to 9.3 billion in June, data from the National Payments Corporation of India showed. While transaction volume had clocked the 9.4 billion mark in May, experts attribute the dip in June to there being one less day in the month.

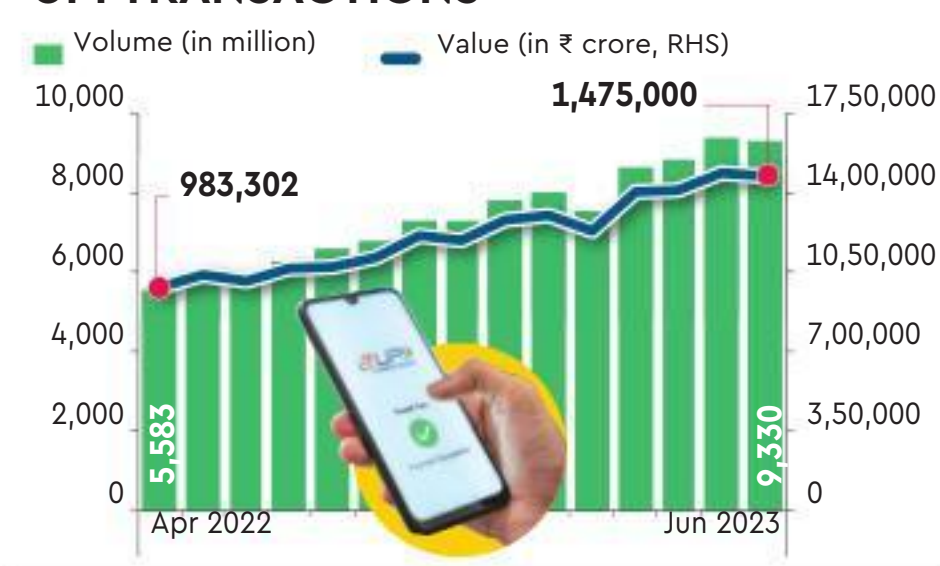

The transactions volume rose 59% year-on-year in June and transactions value rose 45% year-on-year to ₹14.8 trillion.

Transaction value had hit 14.9 trillion in May.

In 2022-23 (April-March), the platform carried out 84 billion transactions, accounting to about ₹139.1 trillion.

The growth in UPI transactions can be attributed to the

UPI TRANSACTIONS

fact that customers are increasingly using the payments network to make utility payments.

It has also been aided by the launch of various new products like UPI Lite, and RuPay credit card on UPI.

In its latest financial stability report, Reserve Bank of India

(RBI) said that it is looking to leverage its domestic payment systems through bilateral inter-linkages with other countries interested to establish such inter-linkages. Interlinking of fast payment system between UPI and PayNow happened in Feb 2023.

Muthoot Microfin files IPO papers

MUTHOOT MICROFIN PLANS to raise up to ₹1,350 crore through an initial share sale and has filed draft papers with markets regulator Sebi. The IPO of the company that provides micro loans to women customers will comprise a fresh issue worth up to ₹950 crore and an Offer

For Sale (OFS) of equities to the tune of ₹400 crore. According to the Draft Red Herring Prospectus (DRHP) filed on Friday, the company will also look at pre-IPO placement to raise Rs 190 crore. If that placement is undertaken, the size of the fresh issue will be reduced.

FM buoyant on GST mop-ups

A two-month drive is currently on for this purpose. GST collections are an important indicator of economy-wide demand and what it shows has been reinforced by other high-frequency data releases like auto sales, industrial growth figures and Purchasing Managers Index.

The break-up of data shows that the centre's share in overall GST collections in June stood at ₹31,013 crore, states' share at ₹38,292 crore and integrated GST at ₹80,292 crore.

Within IGST, ₹39,035 crore from imported goods. The cess collection for the month was ₹11,900 crore, including ₹1,028 crore from imports of goods.

From IGST, the Centre's share has been settled at ₹36,224 crore while states have got ₹30,269 crore. This settlement has taken the overall share of the Centre in June to ₹67,237 crore and states' to ₹68,561 crore.

The Goods and Services Tax collection target for the Centre has been kept at ₹8.1 trillion, while ₹1.45 trillion will come from compensation cess.

To meet the target, monthly collections have to be close to ₹1.5 trillion. With the first quarter average coming at ₹1.69 trillion it appears the achievement will be more than the target for the year.

Overall the indirect tax revenue target for FY24 has been set at ₹15.37 trillion, against the actual receipts of ₹13.91 trillion in FY23.

Byju's, lenders renew talks to restructure \$1.2-bn loan

The company elected to miss an interest payment on its term loan in June, exacerbating a conflict with lenders that underpins its mounting distress.

The firm is in advanced talks with prospective new shareholders for a \$1-billion fundraising round, seeking to head off attempts by some investors to clip founder Byju Raveendran's control over the beleaguered tech startup.

Aim to double every 4 years: HDFC Bank MD

The bank will utilise its digital platform to upsell products to home loan customers along with the complete product suite of the bank and its subsidiaries.

"The opportunity to bundle our products like a savings account for all banking needs, a personal loan for upfront contribution to the builder, a consumer durable loan for purchase of durables for the new home, a life insurance to protect the family in any eventuality..." Jagdishan said.

Going forward, he said the bank will continue to make investments in people, distribution, emerging and advanced technologies. The bank aims to add more than 1,500 branches every year in the coming years to cater to India's middle and upper segment.

"The most important priorities are going to be in the way we conduct ourselves from a

governance and compliance perspective, how we can enable a great working environment for our staff and how this can lead to delightful customer service," he said.

HDFC Bank began day one after the merger with a rebranding exercise, wherein it is putting up its colours at all the over 500 branches and offices of HDFC Ltd. The erstwhile HDFC's corporate headquarters at Ramon House already sports the HDFC Bank branding, and officials estimated that the entire exercise will be over in the next 24 hours.
